Re: Applications for transfer – Lezamiz, John (Last Ranch, Notch Butte Farm)

Project No. 535-07-2009

Dear Allen:

Enclosed are completed applications for transfer prepared on behalf of John Lezamiz. This transfer seeks to create a permissible place of use for the old Bragg place, to bring the water right pou into compliance with the current irrigation practice, and allow some flexibility for farm management. The transfer also seeks to move a small portion of Notch Butte water rights from the old Bragg place back to the Notch Butte Farms location. Notch Butte Farms will also place the transferred acreage immediately into water bank, as indicated by the associated water bank applications.

The old Bragg Ranch is currently under contract to be sold by Last Ranch. The future purchasers for the old Bragg place have explicitly requested that these transfers to be completed simultaneously.

I have enclosed fees for proposed transfers (check # 8990) in the amount of \$630.00. A total of 7.26 cfs is being transferred for the PPU transfer for a fee of \$530.00. A total of 0.15 cfs is being transfer to Notch Butte Farms for a fee of \$100.00. If you have any questions please give us a call.

Sincerely,

G. Erick Powell, P.E.
Amy Runser, Tech.
