RE: Application for Transfer No. 76160

Dear Applicant:

On November 17, 2009, the Department of Water Resources (Department) received application for transfer no. 76160 proposing changes to water right nos. 36-2461A, 36-2554A, 36-16138, 36-16149, and 36-16155. On December 22, 2009, the Department received notice that the aforementioned water rights are now owned by Texas Municipal Plan Consortium, LLC. Based on the documentation provided with the notice, it appears that you are not the owner of the water rights involved in the transfer.

For any transfer application, the Department must have sufficient information to determine that the applicant has the authority to seek the proposed change in use of the water rights. Please provide evidence that you are the current water right owner or that you have authority to make the proposed change on behalf of the current water right owner. If the Department does not receive the requested information within thirty (30) days, your application will be returned and the Department will refund the application filing fee.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Sr. Water Resource Agent
