Sr. Water Resource Agent
Idaho Department of Water Resources
PO Box 83720
Boise, ID 83720-0098

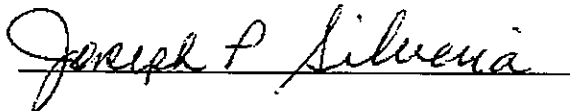

Dear Mr. Marshall,

Please accept this as authorization from Texas Municipal Plan Consortium, LLC to allow Notch Butte Farm, LLC and Last Ranch, LLC through their agent, John Lezamiz, to pursue the following transfers:

1. Transfer Number: 76160
2. Transfer Number: 76159

We would like for the Permissible Place of Use application (# 76160) be processed first prior to approving the transfer of the 12.9 water right acres (# 76159). Once the Permissible Place of Use is approved, and only after it is approved, may the 12.9 water right acres be transferred.

Thank you,

Joseph P. Silveira
