

MEMORANDUM

To: 65-23097
From: Denise Buffington DB
Date: March 19, 2010
Subject: Pre-hearing Conference & Draft Settlement Agreement

I talked to Dave Shaw on March 17th, regarding setting up a pre-hearing conference for the above referenced contested application. He is the representative for the protestant. We are looking at August 4th, if possible. He will contact the protestant, Brad Little and discuss the matter; &/or find an available date, if Mr. Little is not available on August 4th.

During our conversation, Mr. Shaw indicated that there is a Draft Settlement Agreement in the works, but he had not had a chance to look it over as of yet. He said he would first take care of setting up a date for the pre-hearing conference. Then he'd look into the Draft Settlement and follow up from there.

If a Settlement Agreement is signed & finalized, we will take the necessary action, upon receipt by the Department.
