Subject: Van Es Transfer #74776

Lori:

This is a followup to our telephone conversation last week regarding the above transfer. What is needed:

- Have the applicant supply the requested information in my February 18th letter
- If the parties desire to change/add ownership or file a security interest, then have them submit the Proper Dept. change of ownership or security interest forms, fees, and proof documents. Keep in mind, ownership of the property is what is recorded at the county only.

Call me or Angie if you have concerns

John W.
