Lori:

Let's move ahead with the stay approach as discussed by phone.

- Could you have Van Es submit a petition requesting the transfer approval be stayed 6 months(December 1, 2010). That should I be enough time for VanEs to complete the terms of the contract and receive a released deed/title from Loucks.
- Please convey to Mr. VanEs the Stay order will be conditioned to order the transfer rejected on 12/1 if he cannot provide necessary authority/title documents. The rejection will be without reminder/notice and final.

John,

Any thoughts on the "stay" option?

John,

I discussed this with Terry and he suggested I ask if the Department would be willing to put a "stay" on the approved transfer for 6 months. Dale will have the property bought by that time and the transfer, as approved, could be considered final. The "stay" would save the Department from having to process additional paperwork. If a stay would be acceptable to the Department, we will approach the Loucks with this alternative for their approval.

Thanks John.
