CONDITIONS OF APPROVAL

1. Proof of application of water to beneficial use shall be submitted on or before **May 01, 2011**.
2. Subject to all prior water rights.
3. This right does not grant any right-of-way or easement across the land of another.
4. No water shall be diverted under this right after June 15 of each year without prior approval of the watermaster.
5. Prior to diversion of water under this right, the right holder shall install and maintain a measuring device and lockable controlling works of a type acceptable to the Department as part of the diverting works.
6. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 67, Weiser River.

Permit to Appropriate Water
NO. 67-14975

7. Stockwater use is for 16 cattle/horses.
8. Prior to diversion and storage of water a completed "Application for Construction of a Small Dam" with fees must be submitted to the Department of Water Resources Dam Safety Section for review and authorization of storage.
9. Storage of water under this right may be subject to the Idaho Dam Safety statutes, and the Department of Water Resources Dam Safety rules and regulations.
10. Storage is for one (1) pond not to exceed a total active storage capacity of five (5) acre feet and a total surface area of one (1) acre.
11. The Director retains jurisdiction to require the right holder to provide purchased or leased natural flow or stored water to offset depletion of Lower Snake River flows if needed for salmon migration purposes. The amount of water required to be released into the Snake River or a tributary, if needed for this purpose, will be determined by the Director based upon the reduction in flow caused by the use of water pursuant to this permit.

This permit is issued pursuant to the provisions of Section 42-204, Idaho Code. Witness the signature of the Director, affixed at Boise, this 12th day of May, 2010.

JOHN WESTRA, Western Regional Manager
