RE: Protest form showing incorrect transfer # in parts of the document

A Notice of Protest was filed on May 3, 2010, against the above reference transfer application. The protest was filed timely, by Ringert Law Chartered, on behalf of Hillsdale Estates Homeowners Association Inc.

Upon the initial review of the Protest, it was noted that the transfer number was listed incorrectly in parts of the document. It was correct in the title, however, it was incorrect in the body of the document and in the footer.

I contacted the attorney, Charlie Honsinger, on May 7th, to discuss the matter. We agreed it was simply a type-o and he indicated that he would submit a corrected form soon. The Amended Protest was received May 12, 2010.

The protest will still be considered valid, as it was originally received on time, with the correct filing fee, etc.
