Subject: Transfer Application – Tim Burke  
Water Right/SRBA Claim No. 63-31216

Dear Ms. Walker,

We are pleased to submit the enclosed *Application for Transfer of Water Right* for a portion of Water Right No. 63-31216 on behalf of Tim and Mary Burke. We are sending the application directly to you because you have been involved in analysis of the parent water right.

The Burkes previously filed a transfer application to move this right to the location of their home. IDWR had concerns about the chain of title for this water right and the transfer application was subsequently rejected. The seller (Mr. Thurber for Jade Eagle LLC) has now provided a quit claim deed to clarify ownership of the water right.

We have enclosed a new transfer application with copies of 1) the Corporation Warranty Deed conveying Lot 14, from Jade Eagle LLC to Ridgeline Vistas LLC, 2) the quitclaim deed clarifying that Ridgeline Vistas purchased Lot 14 with no more than 107 acres of appurtenant water rights, and 3) the Corporate Warranty Deed conveying a portion of water right 63-31216 from Jade Eagle LLC to Tim Burke.

We understand that the filing fee for this application is \$100.00. You will find a check for that amount enclosed. Please contact me with any questions.

Sincerely,

Roxanne Brown  
SPF Water Engineering, LLC
