Re: Approved Transfer No. 75102

Dear Mr. Latham:

The Department is asking for your help in solving the confusion regarding a current and correct mailing address for Christie Haugh, the applicant for the above referenced Transfer.

The Amended Application for Transfer No. 75102 that your office filed with the Department on 1/20/2010 contains an address of 95 Townsend Gulch Rd; Bellevue ID 83313.

However, the copy of the Approved Transfer we sent to that address recently has been returned by the US Postal System as un-deliverable. In addition, our mailing to Ms. Haugh at 126 Hurst Lane; Bellevue ID 83313 address has also been returned by the US Postal System as un-deliverable.

It is important that the approval document have a current mailing address for the applicant and that our database is correct.

Pursuant to a new Departmental policy, all changes of address made to our data system require a signed Change of Address form on file.

On the basis of your Power of Attorney on file with our office, please complete, sign, date and return the enclosed form at your earliest convenience so that we can update our records. In addition, please give special attention to the section requesting all applicable water rights.

Thank you in advance for your cooperation.

Sincerely,

Mary A. Baldwin
Administrative Assistant
