Re: Searle Water Rights

Dear Mr. Marshall:

Included with this letter are a Water Supply Bank Rental Agreement and a letter requesting the withdrawal of four water rights from the Water Supply Bank.

The rental agreement is for water right 45-13905 for 0.30/352 CFS/AFA or 80 acres. The rental agreement is for the period of March 19, 2010 through November 15, 2014. A check from Brockway Engineering for \$492.80 is being submitted with this letter to cover the rental fee for 2010.

The request to withdrawal water rights from the Water Supply Bank is in response to your letter dated April 8, 2010 concerning the parent water rights 43-4037 and 43-7126.

Please copy our office on all correspondence regarding this application. Thank you for your assistance and if you have questions or comments, please don't hesitate to call.

Sincerely,

Greg Sullivan, M.S., E.I.T.
