RE: Notice of Change in Water Right Ownership—Water Right Nos. 77-7285, 77-7293 and 77-7294

Ladies and Gentlemen:

Enclosed is a Notice of Change in Water Right Ownership for Water Right Nos. 77-7285, 77-7293 and 77-7294.

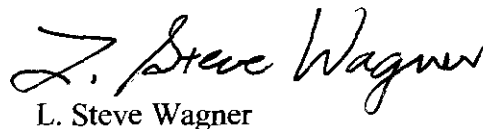

These water rights were transferred from Hecla Mining Company to Bradley Mining Company by Quitclaim Deed dated November 21, 2000, which covered certain patented mining properties where the water rights are located “together with the tenements, hereditaments and appurtenances belonging to such property”. A copy of the recorded Quitclaim Deed is enclosed.

Also enclosed is my check No. 1770 in the amount of \$75.00 to cover the filing fee for the transfer of these three water rights.

I would appreciate it if you could advise me by mail or email whenever the transfer of these water rights is approved.

If you have questions or need any further information concerning this matter, please let me know.

Sincerely,

L. Steve Wagner
