Dear Mr. Peppersack:

I hereby request to halt the entry of a Default Order in Application to Appropriate Water NO. 67-14975. I had to miss the court hearing due to a mandatory training session for the Census Bureau, if I had gone to the hearing I would have missed 8 weeks of pay.

Please retain me as a interested party/protester in this matter as I would like to submit my rebuttal to any findings as a result of the review of all the information complied in this matter, clarify or add testimony, and/or take it to a higher court.

Sincerely

Kevin A Madsen
