RE: Contested Application for Transfer #70910—Estate of Charles Steiner

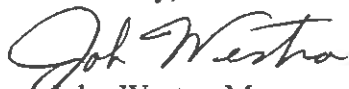

Dear Mr. Steiner:

I recently went through our applications drawer to follow-up on old applications. The transfer described above was filed to provide a storage space option for the Louisa Creek reservoir. Mr. Barnhill filed a protest against the application. On 3/30/04, you submitted a written request for our office to hold the application. No action has been taken since.

Please provide our office with the status of the application and your future intentions. Options can include: continue to be hold the application, amend it, or withdrawal.

Feel free to contact me if you need to further discuss the application or possible options, phone 334-2190.

Sincerely,

John Westra, Manager
Western Region
