RE: Change of Ownership for Water Right 36-8559

Dear Water Right Holders:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

The department was not able to complete the change in ownership requested for water right number 57-2332 as the warranty deed does not cover the entire place of use for this water right. Please submit a deed which covers the NW $\frac{1}{4}$ SE $\frac{1}{4}$ of Sec. 19, Township 4N, Range 5W. If you cannot provide a deed which covers the remainder of the water right, the water right will need to be divided. The fee to divide a water right is \$100. Please submit an additional \$75 to divide the water right or a copy of the deed which conveys the remaining portion of the water right to you.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
