RE: Change in Ownership of Water Right No. 36-8559

Dear Mr. & Mrs. Munsee:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The deeds cover a portion of this water right. The department needs a copy of the deed(s) which conveyed the SWSW and SESW of Section 13, Township 9S, Range 20E (Parcel No. 09S20E135475A), and the NWNW of Section 24, Township 9S, Range 20E (Parcel No. 09S20E242550A).

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
