NOTICE TO RESUME WATER USE

Re: Water Right No. 37-8409

Dear Applicant:

On May 10, 2005, the department approved an Application for Extension of Time to Avoid Forfeiture for Water Right no. 37-8409. One condition of the approval was that diversion and use of this water must resume on or before July 1, 2010. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I have enclosed a copy of the application for extension of time and the resumption of use form. Please complete the resumption of use form and return it to my attention at the above address on or before July 6, 2010.

If you have any questions regarding this matter, please contact me at (208) 287-4952.

Sincerely,

Emalee Rushing
