Re: Application For Transfer No. 73842

Dear Ms Grimm:

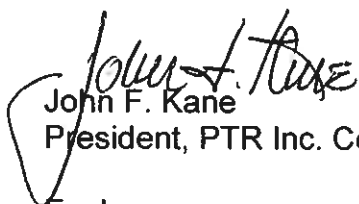

Thank you for your letter of March 29th 2010.

Please consider this letter as written notification to withdraw our Application for Transfer filed several years ago for 1.3 acres of water right 65-3223. If this minor change can be made without a formal transfer application, then we would also like to request a refund of the \$300.00 that was paid to accommodate this change.

Sorry for the delay in responding to your letter, we are retired and have been traveling and because of the irrigation season, find we can only travel in the Spring and Fall of the year.

As always, it is a pleasure working with the Department of Water Resources. Should you have any questions or need further information, please don't hesitate to contact me.

Sincerely,

John F. Kane
