

## MEMORANDUM

TO: Application 63-11791  
FROM: Brenda  
DATE: February 24, 1993  
RE: *MORATORIUM HOLD*

=====

Having no clear information on the surface size of the pond in question, it appears that the area is greater than 1/2 acre; therefore, it would be considered a consumptive use and cannot be approved at this time.

This application will be put on hold until the Snake River Basin Moratorium (issued May 15, 1992) is lifted.
