CONDITIONS OF APPROVAL

1. The boundary encompassing the place of use for this water right is described with a digital boundary as defined by I.C. Section 42-202B(2) and authorized pursuant to I.C. Section 42-1411(2)(h). The data comprising the digital boundary are incorporated herein by reference and are stored on a CD-ROM disk issued in duplicate originals on file with the SRBA District Court and the Idaho Department of Water Resources. A map depicting the place of use is attached hereto to illustrate the place of use described by the digital boundary.
2. Place of use is within the boundaries of Squaw Creek Ditch Co.

WATER RIGHT NO. 65-2379
As Modified by Transfer No. 76301

CONDITIONS OF APPROVAL

3. The right holder shall accomplish the change authorized by this transfer within one year of the date of this approval.
4. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
5. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
6. This right does not grant any right-of-way or easement across the land of another.
7. Basin 65 General Provisions No. 3, the Separate Streams General Provision, does not apply to appropriations of water after October 18, 1977.
This water right shall be administered as being from a separate source pursuant to Basin 65 General Provision No. 3. If the holder of this right seeks to change the right pursuant to Idaho Code § 42-222 or successor statute, nothing in this general provision shall preclude any other person or entity from demonstrating that such change in use would cause injury to its water right or from receiving any relief provided by law in the event of injury.
8. Rights 65-2379, 65-3043 and 65-3044 when combined shall not exceed a total diversion rate of 28.94 cfs for irrigation of 1327 acres in a single irrigation season within the boundaries of the Squaw Creek Ditch Co.
9. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 65A.
10. Diversion of water from the point of diversion located in the SESW, Section 15 shall be reduced by an amount equal to the diversion authorized under this right from the points of diversion located in the NENW, Section 3.
11. Diversion of water from the point of diversion located in the SESW, Section 15 shall be reduced by an amount equal to the diversion authorized under this right from the point of diversion located in the SENW, Section 22.
12. When notified by the Department, the right holder shall install and maintain measuring devices of a type acceptable to the Department as part of the diverting works.
13. Prior to diversion of water under this right, the right holder shall install lockable control valves on the new points of diversion, subject to the approval of the Department, in a manner that will provide the watermaster suitable control of the diversion.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
