Re: Meadow Creek Homeowners' Association Amended Application for Permit No. 63-11791 and Application to Transfer Water Right No. 63

Dear Mr. Westra:

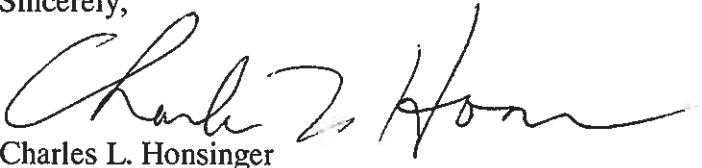

Please find enclosed herewith the following:

1. Amended Application for Permit No. 63-11791.
2. Application for Transfer of Water Right No. 63-31832.
3. Check in the amount of \$150.00 to cover the \$100.00 fee for the filing of a transfer of less than 0.2 cfs and the \$50.00 fee to cover the fee for the filing of an application to amend a permit.

As I explained in my correspondence of June 21, 2006, the purpose of these filings is to provide for Meadow Creek Homeowners' Association's diversion for pond purposes of groundwater connected to the Boise River. The filings were drafted after meeting with Steve Lester to discuss the same, and by using Mr. Lester's "Ponds in Basin 63" memo that was updated in February 2006. I submit the filings on behalf of Meadow Creek Homeowner's Association and on behalf of Boise Valley Irrigation Ditch Company.

Please contact me with any questions or concerns about either filing.

Sincerely,

  
Charles L. Honsinger
