Found out what's up with this one, Shelley. Lori G. has been handling. Original appl. was returned late 1996 for revisions but no response received. I'm having Lori follow up:

enter in our in-office tracking alphabetical list ("apps.lis")

letter to applicant with 30 day response time

cc of her 1996 plus new letter to region file

cc of same to you for S.O. file

So that should clear up the loose ends. We will take action to void if still nonresponsive to newest letter. Somehow this slipped through our apps.lis method.

All's well that ends well, I reckon.
