Re: Beneficial Use Report / Permit ³⁶⁻⁸⁶⁶² 37-8662

Enclosed please find a beneficial use field report relating to the above-referenced permit. Proof was filed on this right and the examination fee was paid in 1993. However, the Department has not been able to complete the examination. Due to the present need to carry this permit to the licensing stage in order to be included in a transfer application package, it was suggested that Brockway Engineering complete the exam, and IDWR Southern Region staff authorized us to proceed.

If any technical or other questions arise, please do not hesitate to contact me.

Cordially,
