

MEMORANDUM

RE: Pending ownership change on WR 63-31446

This afternoon I spoke on the phone with Peggy Telford, who informed me she is buying the land to which water right 63-31446 is appurtenant. Water right 63-31446 is leased to the Water Supply Bank but is not currently rented. Since Ms. Telford hopes to irrigate this summer, you may want to consider renting other rights ahead of right 63-31446 this summer.
