Partial Decrees for the above-captioned water rights were issued on May 7, 2004. The above-captioned water rights were claimed by the United States of America, acting through the Bureau of Land Management, asserting both a state and federal basis for the claims. The United States elected to proceed with the state basis for the claims, with priority dates of June 28, 1934. However, the above-mentioned water rights were erroneously decreed with priority dates of April 17, 1926 in the *Partial Decrees*. This Court finds the incorrect priority dates contained in the *Partial Decrees* to be the result of clerical error.

THEREFORE, IT IS HEREBY ORDERED that pursuant to I.C.R.P. 60(a) the *Partial Decrees* previously issued for water rights 72-15968 and 72-15905 are hereby amended and decreed as set forth in the attached *Amended Partial Decrees* pursuant to I.R.C.P. 54(b).

Dated April 27, 2010.
