RE: OWNERSHIP CHANGE FOR WATER RIGHT 45-11194

To Whom It May Concern:

The Department has been notified that you are the current owners of the property to which the above water right is appurtenant. In order for you to be shown as the current owner on our records, it is necessary for you to complete the enclosed Notice of Change of Water Right Ownership form. Please complete the highlighted areas, attach the required documentation and filing fee listed under item 2, sign where indicated on page 2 and return to this office by **April 30, 2010**. Once this packet is received, the changes will be made to our records, and you will be sent confirmation that the change has been completed.

Please note Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Thank you for your prompt attention to this matter and should you have any questions please feel free to contact me.

Sincerely,
