RE: Assignment of Permit for Water Right No. 21-12950

Dear Permit Holder(s):

The department acknowledges receipt of the assignment of permit for the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report along with a copy of this permit for your records.

One condition of approval of the above referenced water permit was that proof of the extent of your beneficial use must be submitted to this office on or before the proof due date of June 01, 2010. Enclosed for your reference is a copy of the proof due notice sent to the original owner.

If you have only partially completed the project, you can request one extension of time for up to 5 years. If the project was entirely completed, then proof can be submitted. Enclosed are two forms: a Proof of Beneficial Use (proof) form and a Request for Extension of Time (extension) form.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

If you have any questions regarding this matter, please contact me at (208) 287-4945.

Sincerely,

Darla Block
Technical Records Specialist
