RE: Water Right No. 67-10125

Dear Mr. & Mrs. Aschenbrenner:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. The Snake River Basin Adjudication (SRBA) Court issued a partial decree describing the water right with a place of use different than your property as described in the documentation you originally submitted.

Since the home on your property was built in the early 1900's, you may wish to file a motion to file a late claim with the SRBA court. I have enclosed the forms necessary to file a late claim with the SRBA. The fee submitted for the ownership change can be applied toward the fee for the notice of claim to a water right.

Please let us know within 30 days how you plan to proceed. If we do not hear from you within 30 days we will return your Notice of Change in Water Right Ownership and all attachments and refund any fees submitted with your notice.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
