WATER RIGHT NO. 45-13788
As Modified by Transfer No. 75991

CONDITIONS OF APPROVAL

1. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
2. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No 140.
3. Prior to diversion and use of water under Transfer approval 75991, the right holder shall install and maintain acceptable measuring devices at the authorized points of diversion, in accordance with Department specifications. Water diverted from wells that are also used for irrigation must be measured separately for irrigation and dairy uses.
4. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized points of diversion in accordance with Department specifications.
5. Commercial use is for a dairy.
6. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable county zoning and use ordinances.
7. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable water quality standards of the Department of Environmental Quality &/or the Department of Agriculture.
8. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
9. The right holder shall accomplish the change authorized by this transfer within five years of the date of this approval.
10. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.

WATER RIGHT NO. 45-14061
As Modified by Transfer No. 75991

CONDITIONS OF APPROVAL

1. Right holder shall comply with the drilling permit requirements of Section 42-235, Idaho Code and applicable Well Construction Rules of the Department.
2. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 140.
3. Prior to diversion and use of water under Transfer approval 75991, the right holder shall install and maintain acceptable measuring devices at the authorized points of diversion, in accordance with Department specifications. Water diverted from wells that are also used for irrigation must be measured separately for irrigation and dairy uses.
4. Upon specific notification of the Department, the right holder shall install and maintain data loggers to record water usage information at the authorized points of diversion in accordance with Department specifications.
5. Commercial use is for a dairy.
6. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable county zoning and use ordinances.
7. Prior to the diversion and use of water under this approval, the right holder shall comply with applicable water quality permitting requirements administered by the Department of Environmental Quality or the Department of Agriculture.
8. Domestic use is for 3 homes and does not include lawn, garden, landscape, or other types of irrigation.
9. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.
10. The right holder shall accomplish the change authorized by this transfer within five years of the date of this approval.
11. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
