Re: Extension of Time to Complete Transfer  
Water Right No. 63-5386

Dear Steve,

Please find enclosed a *Request for Extension of Time* form we wish to submit on behalf of Avimor, LLC. As noted on the request, Avimor has made a significant investment in the pump station and connecting pipeline. The development property is currently being sold and the new owner will complete the installation and fully accomplish the transfer.

Please contact me if you have any questions.

Best Regards,
