Re: Application to appropriate water

Dear Mr. Tuthill:

Attached is an application to appropriate ground water from the state of Idaho in the southwest quarter of the southwest quarter of Section 5, Township 3 North, Range 1 East. The application is to appropriate 0.2 cubic feet per second for irrigation purposes.

The site to be irrigated with this new water right is not currently being irrigated, although it has been irrigated in the past with surface irrigation.

Please review this application and call me if you have any questions.

Sincerely,
QUADRANT CONSULTING, INC.

Chuck Christensen, P.E.

cc: R. Craig Callaham
