Change of Ownership for Water Rights 36-16059, 36-16061, 36-7356D

Dear Water Right Holder:

The Department acknowledges receipt of correspondence changing ownership on the above water rights. The Department has modified its records to reflect the changes on most of the rights, and I have enclosed computer-generated reports for your records.

However, in my review of the warranty deed for water rights 36-16059, 36-16061 and 36-7356D, the deed indicate that Duncan Partnership Trust did not obtain the entire property describe in Section 36; consequently these right cannot be changed at this time.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Carrie Hahn
