RE: Water Right License 37-7807

Dear Water Right Holder:

The Department of Water Resources (IDWR) issued license 37-7807 as a preliminary order on April 7, 2010.

The Department received a Notice of Change in Water Right Ownership from yourself on April 5, 2010. The ownership change was not processed before Water Right License 37-7807 was issued as a preliminary order. Therefore Water Right License 37-7807 was issued in the name of the permit holder of record rather than yourself.

To correct this, the Department has issued the enclosed modified license for 37-7807. The enclosed modified license is a preliminary order issued by the Department pursuant to IDWR's Rules of Procedure (IDAPA 37.01.01.760). It supersedes the preliminary order issued on April 7, 2010.

If you have questions, please contact me at (208) 287-4916.

Sincerely,

Craig L. Saxton  
Water Rights Supervisor
