Re: Change of Ownership, Security Interests for Water Rights 36-2074A, 36-2568,
36-7015B
Solicitation for Water Right 36-12647
Change of Ownership, Security Interest for Water Rights 36-16199, 36-2557

Dear Water Right Holder:

The Department acknowledges receipt of correspondence changing ownership and adding security interest to the referenced water rights (36-2074A, 36-2568, 36-7015B). The Department has modified its records to reflect the changes have enclosed computer-generated reports for your records.

However, in my review of the warranty deed and mortgage security agreement for water rights 36-16199 and 36-2557 the deed indicate that Idaho Supreme Potatoes did not obtain the entire property describe in the water right; consequently both rights may require splitting the ownership.

WR#36-2557, the legal description excepts a 2 acre parcel in the NWNW to which 36-2557 is appurtenant. If this water right is to be entirely conveyed to Idaho Supreme Potatoes a quitclaim deed indicting such is required. If not, this right must be split to the two owners.

WR# 36-16199, the legal description indicates only the land in Sec 28 was purchased. The right must be split to the two owners. (See enclosed printouts)

Also, I believe the enclosed water right 36-12647 is for your property. If you wish for our records to be changed it is necessary for you to complete the enclosed Notice of *Change of Water Right Ownership* form. Please complete it per the instructions (pages 3 and 4), (I have retained the required information listed under item 2, so you don't have to resubmit the deed) and return everything to the Department.

I received a check for \$275 from Rabo Agrifinance. For ownership change and Security interest work done on rights 36-2074A, 36-2568, and 36-7015b, \$150 of this amount has been used.

To split a water right is \$100, ownership change of an entire right is \$25, and security interest for a right is \$25. You have \$125 prepaid for these fees so please submit the proper fees accordingly.

Please submit these additions: fees, quitclaim deed? new ownership change? by April 30th.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.
