Subject: Application for Transfer
Water Right/SRBA Claim No.63-31216

Dear Ms. Walker,

Thank you for the opportunity to re-submit Mr. Stillwell's application on the original form. This will save time and effort and we truly appreciate it.

We are pleased to submit the enclosed *Application for Transfer* for a portion of Water Right No. 63-31216 on behalf of Mr. Stillwell. The application proposes to move the point of diversion and place of use to irrigate land near Mr. Stillwell's home.

You will recall IDWR originally had concerns about the chain of title for this water right. We have enclosed copies of 1) the Corporation Warranty Deed conveying Lot 14, from Jade Eagle LLC to Ridgeline Vistas LLC, 2) the quitclaim deed clarifying that Ridgeline Vistas purchased Lot 14 with no more than 107 acres of appurtenant water rights, and 3) the Special Warranty Deed conveying a portion of water right 63-31216 from Jade Eagle LLC to Gary Stillwell.

We understand that the filing fee for this Application is \$100.00. You will find a check for that amount enclosed.

Please contact me with any questions.

Sincerely,

Roxanne Brown
