RE: Permit No. 95-10892

Dear Permit Holder:

The Department has received your Statement of Completion for proof of beneficial use ("proof") filed for the above referenced water right. The Department cannot accept the form you filed because of incomplete or missing information. Question no. 6 of the proof form is incomplete. It also appears that you submitted a copy of the statement of completion.

I am returning the copy submitted for your completion. Please complete the enclosed form or, if possible, complete the original and return it to me in the self addressed, stamped envelope I have included with this letter. To provide you with information regarding the permitted water uses and rate of diversion, I have enclosed is a copy of the permit for your reference. The maximum diversion rate on your permit is limited to 0.20 cfs.

Please contact me at (208) 287-4952, if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
