Re: Change of Address in Water District 130 for Water Right 36-11120
Solicitation for water right ownership change 36-11120

Dear Water Right Holder:

The Water District acknowledges receipt of correspondence changing address in Water District 130. The District has modified its records to reflect the change in address.

While performing this update it was noticed the water right is listed in the name of a different owner. If this is an error and you wish for our records to be changed it is necessary for you to complete the enclosed Notice of *Change of Water Right Ownership* form. Please complete it per the instructions (pages 3 and 4), (Please pay attention to #2, Required Information) enclose a \$25 fee and return everything to the Department. Once this packet is received, the changes will be made to our records, and you will be sent confirmation that the change has been completed.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Carrie Hahn
