**Re: Notice of Changes in Water Right Ownership - Warranty Deed
73-10010, 73-4104 and 73-12035**

Dear Dave:

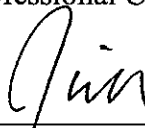

We recently submitted to your office an original and one copy of the Notice of Change in Water Right Ownership in the above-referenced water right and claims, along with its accompanying deed and a check in the amount of \$25 for filing fees. However, the deed we attached to the Notice was not a copy of the *recorded* deed. To correct this, enclosed please find two copies of the previously submitted Notice of Change in Water Right Ownership which include copies of the *recorded* Warranty Deed along with an Affidavit correcting that deed's legal description.

Please arrange to have the one of these copies receipt date-stamped and returned to us in the postage prepaid, self-addressed envelope I have included for that purpose.

Please call me if you have any questions or if you need further information. Thank you.

Sincerely yours,
