RE: Change in Ownership for Water Permit No. 22-7563

Dear Claimant:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Permit Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Filing Fee** of \$25 per water permit

☒ Because this water right is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information or fees. If we do not receive the necessary information or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Bobby Kern
Office Specialist II
