Re: Black Rock Water Rights 95-9045 & 95-9055

Dear Kyle:

I have reviewed your letter of March 9 summarizing our conversation with Mike Stenberg on March 4 regarding the two above referenced water rights. I believe your letter accurately reflects the substance of our discussion. I would further expand the comments relating to the irrigation of 545 acres by saying that it is my understanding that Black Rock Utilities intends to apply irrigation water to acres that will be retired from irrigation as irrigation of lots in both The Club at Black Rock and Black Rock North are added to the system.

If you need anything else, please let me know.

Sincerely,

Robert G. Haynes, P.E.
Regional Manager
