Dear Mr. Merritt:

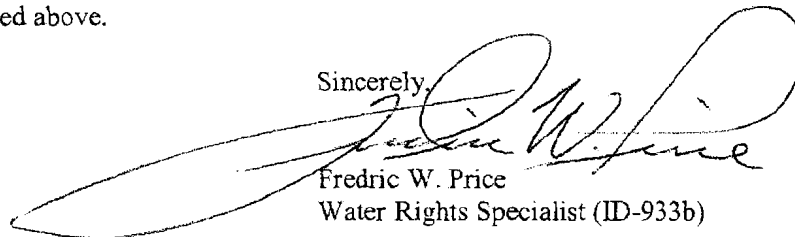

RE: Withdrawal of Protest
Transfer No. 75102 (37-00113F, 37-21299), Christie A. Haugh

By this letter, I state that I have the authority to act on behalf of the United States Department of Interior, Bureau of Land Management (U.S.D.I., BLM), with myself as its agent, to the matters discussed herein. BLM protested because the transfer sought a place of use on federal public land without authorization (i.e. T01N, R18E, S02, SWSE (0.5 acres)).

An Amended Application for Transfer of Water Right was received by IDWR on January 20, 2010 that redescribes the place of use on private land within NWSE, S02, T01N, R18E. Based on the amended application which does not include a place of use on federal public land, BLM hereby withdraws its protest.

If there are questions regarding any statements above, please do not hesitate to contact me at (208) 373-3831 or at the address provided above.

Sincerely,

Fredric W. Price
Water Rights Specialist (ID-933b)
