Dear Keith,

Here is the application for the transfer of water right from the property at Hawk's Nest to the City. Thank you again for all the help that you have provided during this process.

I don't have a copy of the electronic boundary map that was sent to you by the City water department. I was hoping that you could include it as Attachment #7a & #7b in the application.

Also, the original water right (#95-2164) doesn't show a period of use so I assigned a period of use for the transferred right as 1/1 - 12/31. Please let me know if this needs to be changed.

Again, thank you for your gracious allowance of time with me, it has helped immensely.

Sincerely,

Jennifer Tinkey
Deputy City Attorney
