Dear Mr. Peppersack:

As you recall, Basin and Range Resource Company, LLC and the former owner of the property, Jim Scarrow, previously have requested extensions of time for the implementation of Transfer No. 71619. The Idaho Department of Water Resources ("IDWR") last granted a requested extension to February 25, 2010. On behalf of Basin and Range Resource Company, LLC, the current owner of the property including the water rights, I request another one-year extension to implement Transfer No. 71619, pending ongoing Snake River Basin Adjudication proceedings, processing of Transfer No. 74601 and evaluation of the appropriate options for use of the property in view of new market conditions. If you have any questions about this request or need any additional information, please do not hesitate to contact me. Thank you.

Sincerely,
