**Re: *Flying Joseph Ranch LLC / Amended Application for Transfer of
Water Right No. 75708***

Dear Dave:

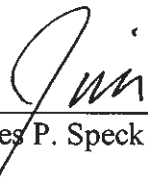

Enclosed you will find the original and a copy of Amended Application for Transfer of Water Right No. 75708. The point of diversion and place of use have been corrected in Sections 3 and 4, respectively, of Part 1. The changes have been made following the recommendation by Tim Luke from your state office. Although the point of diversion differs from that on the original Director's Report Recommendation filed in the SRBA for the water right, it is and always has been the point of diversion from the Pashimeroi River and will be corrected in the SRBA by the filing of appropriate Standard Form 5's.

Please contact me right away if you need any additional information in order to advertise this application. Thank you.

Sincerely yours,
