RE: TERMINATION OF LEASE TO THE WATER SUPPLY BANK – WATER
RIGHT NO(S). 36-2474B AND 36-10082B

Dear Mr. De Kruyf:

Idaho Department of Water Resources ("department") records show that the above referenced water right(s) have been leased through December 31, 2005 to the Water Supply Bank ("bank"). This letter is notice that the right(s) will be considered released from the bank unless you advise the department, in writing, within thirty (30) days of the date of this letter that you want to extend the period of the lease.

If you would like the right(s) to remain leased to the bank, please specify the date to which you want the lease extended. The right(s) will remain in the bank for the specified period unless released earlier by the Water Resource Board or until the lessor submits a request to the department in writing to release the right(s) from the bank.

Please consider that the five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank. If a written request is not received within thirty (30) days, the right(s) will be considered released from the bank as of **December 31, 2005**.

If you have questions, feel free to contact me directly at (208) 287-4946.

Sincerely,

for: Cynthia Bridge Clark
Water Allocation Bureau
