PROOF DEFICIENCY LETTER

RE: PERMIT NO. 43-13607

Dear Permit Holder(s):

During my review of your statement of completion ("proof") for this water right, I noticed that the proof form you submitted is incomplete. More specifically, part 6 of this form has not been filled out. I also noticed that the license examination fee was not paid at the time of filing proof. The license examination fee is based on the maximum rate of diversion that was developed, and is for the department to conduct a beneficial use field examination of the water system to verify its use. Your proof statement cannot be accepted without the license exam fee. The permit was issued with a maximum diversion rate of .01cfs, from surface water. Based on your maximum diversion rate the exam fee due is \$50.00.

Enclosed is the original Statement of Completion ("proof") form you filed. I am returning it to you and request that you fill out part 6 of the form to reflect what was permitted. Upon receipt of a completed proof statement and license examination fee I will acknowledge its receipt.

I will hold this matter for **15-days** from the date of this letter. Enclosed are instructions for filing proof, the license examination fee schedule, and a copy of your permit for your reference.

If you have any questions, please contact me at (208) 287-4945.

Sincerely,

Darla Block
