Dear John:

I received your letter dated February 19, 2010. First, let me apologize for letting the water rights agreement with the Little's drag on for so long. Second, I'd like to thank you for the gentle pressure to conclude the agreement.

I can be in Boise anytime after July 15 for a hearing. It is likely I will be in Boise a couple days here and there before; however, I cannot predict the dates more than a couple weeks in advance.

That being said, Brad and I spoke last week and agreed that his son David and I would work together to form an agreement that would remove their protest prior to July. I will keep you informed of our progress, so you don't unnecessarily commit resources to a hearing.

Once again, I apologize for not being more prompt and appreciate your patience.

Sincerely,

Ron Mayhew
