I, Jersey L. Brown do hereby protest the application for changing the following water right within Butte County: Right Nos. 34-7179, 34-2330B, 34-7080B, 34-7121A, 34-7121B2, 34-7092, 34-7071, 34-12376, 34-13840, 34-13842.

And I protest the new point of diversion in SE NESE Sec. 29 T5N R 26 E for 5 CFS and drilling of a new well in the fore mentioned location filed by Telford Lands LLC C/O Mike Telford 1450 W HWY 24 Paul, Idaho 83347

For the following reasons

My farm is located directly downstream 3/4 of a mile from the proposed Telford well on the Burnett property.

That area is part of the natural flow of the Big Lost River. (Refer to the mitigation won by Jack Jensen, Vaughn Jensen and Jay Jensen). - ground water wells in that area affect the flow of the Big Lost River.

I have water rights to the Big Lost River dating from 1893 to 1900.

These water rights would be adversely affected by the proposed well.
