This form may be used to file a protest with the department under sections 42-108B, 42-203A, 42-203C, 42-211, and 42-222, Idaho Code. The department will also accept a timely protest not completed on this form if it contains the same information.

1. Matter being protested Application 76286
2. Name of protestant Jeffrey K Allen
3. Protestant's Representative for service (If different than protestant)
NA
4. Service mailing address PO Box 155 Arco, ID 83203
5. Service telephone no. 208-554-8953 Email Address: jka888@gmail.com
6. Basis of protest (including statement of facts and law upon which the protest is based)

Transferring the point of delivery up the Biglost will drop the water table and impact irrigators and domestic wells, mine included. There needs to be a scientific water study to determine the impacts this transfer will have. The transfer determination needs to be based on those findings.
(additional pages may be attached to describe nature of the protest)

7. What would resolve your protest? Hydrological study proving this transfer will not drop the water table and impact domestic and irrigation water in the surrounding area.

I hereby, acknowledge that if I, or my designated representative, fails to appear at any regularly scheduled conference or hearing in the matter of which I have been notified at the address above, the department may issue a notice of proposed default against me in this matter for failure to appear. I also verify that I have served a copy of this protest upon the applicant.

Signed this 19 day of March, 20 10.
