RE: Permit No. 65-23245

Dear Permit Holder(s):

Enclosed is a copy of the approved Request for Extension of Time ("request") you submitted to the department in connection with the above referenced permit, which extends the time to submit proof of beneficial use to April 1, 2013. Please note that the department granted this extension based on evidence of good cause. It is important that you work diligently toward the completion of this project during the construction period allowed, according to Section 42-204(5), Idaho Code.

I am returning the proof of beneficial use form you submitted, and the license examination fee you paid at the time of filing proof will be refunded. A check in the amount of \$100.00 will be mailed to you within 7 to 10 business days. You will want to file proof once this project has been completed and the water has been put to use.

Section 42-248, Idaho Code requires you as the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Additionally, these forms can be found on our website at: www.idwr.idaho.gov

Please feel free to contact the department if you have questions.

Sincerely,

Darla Block
Technical Records Specialist
